

# *2021 Summer Solstice 8k Race!*

The 2021 Summer Solstice 8K Race will be this Saturday, June 19<sup>th</sup> in Walkersville. The race will begin in front of the Firehall on W. Frederick Street, heading up to take a left on Glade Road, taking a right onto Devilbiss Bridge Road, a loop around the road in Heritage Farm Park and then reverse course back to the Firehall. The official start time of the race is 7:30 p.m. There will be a 30-minute delay should there be any severe weather.

Please be aware there will be several road closures for the race on Saturday.

Heritage Farm Park will also be closed at 6:30 p.m. that day. Below you will find all road closure information;

- All lanes on W. Frederick Street between the entrance to the Walkersville Fire Hall and Glade Avenue.
- All lanes on Glade Road.
- All lanes on Devilbiss Bridge Road between Glade Road and Solar Drive.
- Temporary road closure at W. Frederick St and Georgetown Road to facilitate setup of the start/finish arch

The road closure(s) could be extended by as much as 30-minutes due to thunderstorm delays. We will have a sweep car or bike that will alert course marshals and traffic control officers that the last runner has come through that area so that the roads can open up as soon as possible.

Below are images of the road closures and traffic patterns for the runners.
